

TURNSTYLE AUTOMATIC GATE OPERATOR
TURNSTYLE ENTERPRISES, INC.
LIMITED WARRANTY

Turnstyle Automatic Gate Operating Systems are warranted against defects for a period of **(12) twelve months** (thirty-six (36) months for Commercial Operators) from the date of purchase, providing recommended installation procedures are followed. This warranty is in lieu of all other warranties expressed or implied (some states do not allow limitations on how long an implied warranty lasts, so this limitation may not apply to you) and ***shall be considered void if damage was due to improper installation or use***, connection to improper power source, or if damage was caused by fire, flood or lightning. The manufacturer will not be responsible for any labor charges incurred in the removal or replacement of defective parts.

In case of failure due to defective material or workmanship during the warranty period, the defective part will be repaired or replaced at the manufacturer's option at no charge if returned freight prepaid. New or factory rebuilt replacements may be used. Replacement parts are warranted for the remaining portion of the original warranty period. The manufacturer will pay standard ground freight on the return of repaired or replaced items in warranty; other forms of shipping may be utilized at the expense of the customer.
